

TOOLS AND RESOURCES FOR IMPACT-DRIVEN ORGANIZATIONS TO ASSESS AND IMPROVE THEIR SOCIAL AND ENVIRONMENTAL PERFORMANCE.

SPI – Social Performance Indicators – promote a common language for measuring impact performance and implementing the Universal Standards for Social and Environmental Performance Management (SEPM).

Whether you are an expert or a newcomer, whether you need to report to a partner, or improve your practices, the SPI Online platform has the tools and resources for you!

ASSESSMENT TOOLS

A [range of free-to-use tools](#) for ESG risk management, reporting, responsible investment selection, social and environmental audit, and client protection certification.

RESOURCE CENTER

[Hundreds of audit resources](#), case studies, templates, tools, videos, and the [SEPM Guide](#) that helps you assess and improve your practices.

NEWS

Stay informed about our events, webinars, training sessions, new resources and tips for conducting your audits.

TRAINING & QUALIFICATION

A [various range of courses](#) (from self-paced trainings to instructor-led courses) to get familiar with the Universal Standards and Client Protection, learn how to use SPI Online audit tools and build your assessment skills.

EXPERTS

The [SEPM Professionals Network](#) gathers highly skilled consultants to support you in your audits, train your team, and design your social and environmental strategies.

The Network also counts experienced staff to guide their own partners (network, investors).

CONTACT support@spi-online.org

As of today, thousands of users – including +50 impact investors – in more than 200 countries have already adopted SPI Online tools!

“SPI was a source of inspiration and a reference when we developed our own social due-diligence tools. The tools are tested and improved over the years, which makes them very relevant.”

ABOUT CERISE+SPTF

Cerise+SPTF is a joint venture of two leading global organizations dedicated to social and environmental performance management– a way of doing business that puts people and the planet at the center of every decision.

We support financial service providers, social businesses, impact investors, networks, professional associations, regulators, and donors, from all over the world, with the tools and resources they need to achieve their social and environmental strategies.

For over two decades, Cerise+SPTF and their partners have been collaborating to define standards, tools and resources for a responsible, inclusive economy with strong social and environmental impact. The quality of our tools reflects this long-standing expertise.
