

## SAMPLE CONSENT FORM FOR SHARING CLIENT DATA

In addition to having a consent form like the one below, product contracts should contain a longer data privacy agreement. A sample agreement is available in the Resource Center (see Sample Data Privacy Agreement and Privacy Statement).

### CONSENT TO USE MY PHOTO AND INFORMATION

MacroDreams respects the privacy and security of client data. This consent form will allow MacroDreams to use your photo for public purposes, and/or share your personal and financial information with third parties.

**Instructions: Please read the following two statements and sign the line below each.** **Statement 1. Sharing your photo**

I authorize MacroDreams to use and publish my name, image, interview statement and/or information identifying myself and my business. This can be done in the form of printed or electronic photographs, video, recorded statements, publications, advertising, illustrations, presentations or other printed, digital or electronic media activities, such as the internet. I understand that I will not have any right to compensation in connection with the above granted rights.

**Your signature:** By signing on the line below, you acknowledge that you understand the statement above.
