

SONATA'S RESPONSIBILITY TOWARDS ENVIRONMENT

ENVIRONMENT POLICY TOWARDS LENDING

We at Sonata being a part of society understand our responsibility towards Environment & therefore strictly adhere to the policy of providing Loans only to clients who utilise the loan for Environment friendly business.

We take special care that our loan is not provided & utilized in business which is hazardous to environment, which disturbs the ecological balance & is detrimental to living beings directly / indirectly.

This procedure imparts awareness & helps in upgrading the living standard of clients by providing them environment free from pollutants, non degradable waste, Toxic materials, etc, thus providing them a hygienic & nature friendly environment.

As a matter of above policy & principle we do not provide loans nor support enterprise /business for below mentioned activities

- 1) Leather Industry & tanneries
- 2) Tobacco , Cigarette & bidi industry
- 3) Plastic Industry
- 4) Alcohol & beverage manufacturing
- 5) Coal & other Mining
- 6) Chemical , Aerosols & other Toxic industry
- 7) Chemically harmful pesticides, insecticides, Fertilizers
- 8) Other environment hazardous industry.

We as a part of society also take responsibility to make aware our clients & staff's regarding environment pollutants & ecological balance.
